

Enterprise Solutions

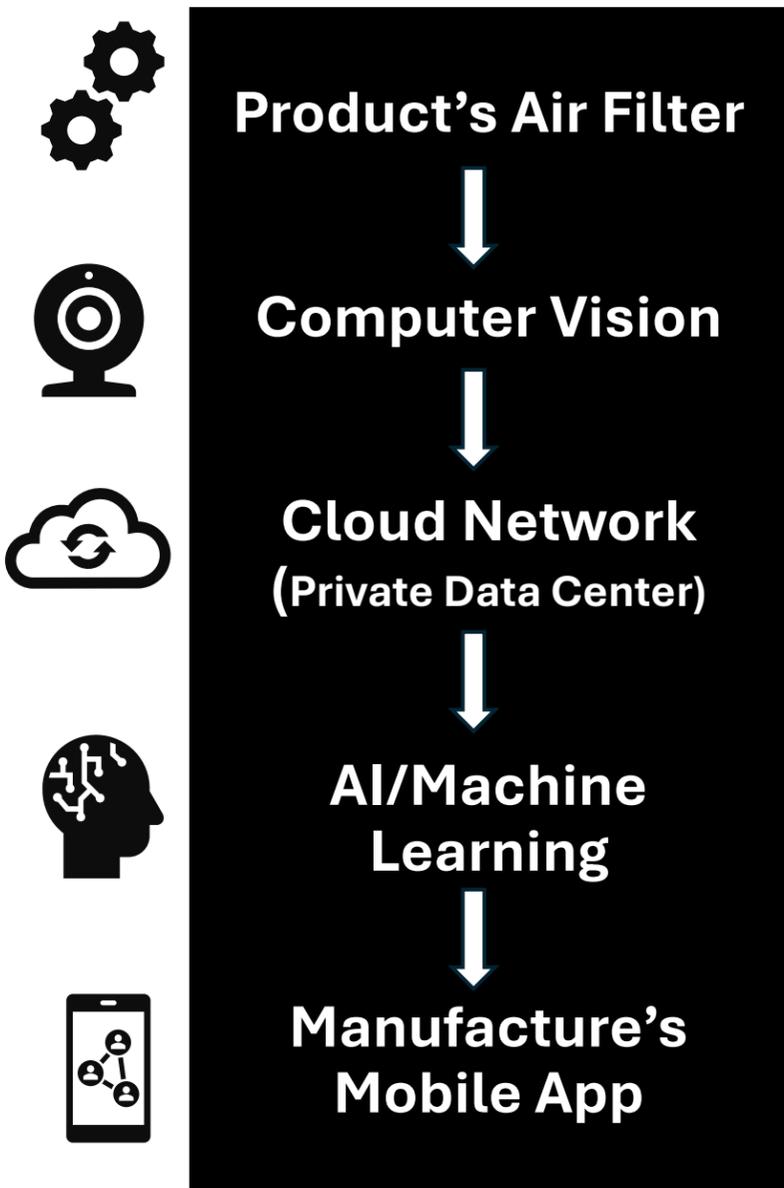

A new patent-pending ecosystem
LICENSE#: L5-APID Cloud

Manufacturing | Marine | Transportation | Aerospace

Environmental Exposure Alerts

Edge-to-Cloud Data Center Solution

Features & Applications:

- Central network to all licensed APID products. Syncs **alert notifications** in geo-location zones.
- **Global Deployment:** Manage all your APID Edge/Hybrid connected devices and licensed OEM air handling products.
- **Create new revenue streams** by offering proprietary pre-trained datasets and unique analysis value.
- **APID Reporting API** integrates with Manufacturer's end-user mobile app or thermostat.
